HIGH NOON

Long Range Events. Butts Range. Robinson St
Thursday 11th November

Long Range single shot will be shot on 4 different size targets at 200 yds.

The targets will be worth 5,10,15 and 20 points, from largest to smallest. Shooter will nominate which target they are shooting on. Up to 3 sighters. Shooters will be timed in case of ties. Any position, shooting sticks allowed. Start unloaded, no ammo in hand. Only sighters may be coached.

Shooting will commence at 9am and finish at 11.30am

Long Range Lever Action Rifle Calibre will be shot on 2 different size targets at 150 yards.

Shooter to alternate on both targets. No sighters. Shooters will be timed in case of ties. Standing unsupported. 4 rounds in mag, reload from body, start at low port arms.

Shooting will commence at 11.30am and finish at 1.30pm.

Long Range Lever Action Pistol Calibre. Friday 12th November

This will be shot at the Cochranes road Range.

Will be shot on 2 targets at 50 yards. Shooter to alternate on both targets. No sighters.

Standing unsupported. 10 rounds in mag. Shooters will be timed in case of ties.
