

“Pistolero 3”

The New “Teams Match”

Sunday 11th March 2012

Are you a new shooter? Or do you just like plinking? Are you a competitive shooter that would like to pass on some skills that you have learnt over the years? Then you need to enter this up coming event!

This event is designed for the New, Plinker and Competitive shooter alike, we want you ALL

The Rotorua Pistol Club is holding another match called “**Pistolero 3**” which will be run as a team’s match event.

The event is designed around having FUN and ENJOYMENT.

All entrants will be placed into 3 person teams by the Rotorua Pistol Club. Each team will comprise one B grade shooter or better (this from any of the shooting disciplines) along with 2 others from lower grades or ungraded and or new shooters. All teams will be created as evenly as possible.

It’s an action type shoot, shooting eight different stages. No major/minor hassles with loads, shoot it Soft or shoot it Hard? No one will care. All matches are design to be shot as a team and from the 45 degrees, (no holster qualification required).

The shooting will comprise of multiple steel targets, shooting clay birds, lumber jack shooting, rope shooting, poker card shooting and much, much more? Scoring is timed, last shoot fired.

Each teams score is added up and lowest collective time will be the provisional Team Winner.

Then the top four teams will go into a Multiply Steel Popper shootoff.

This will entail the 1st & 4th place teams shooting off along with 2nd & 3rd place teams shooting off to find the two team finalist’s positions. These two teams then shootoff to find the overall team winner.

The only pistol restriction is 45ACP is largest caliber allowed. 22cal can be used, but understand that on some stages they will be unable to knock down some of the Poppers and Falling Plates. Shooters can use different Pistols for different stages.

You will need a minimum of 350 rounds, and more if you make the final top 4 teams

With keeping the ammo costs in mind, entry fee per person is \$45.00.

It’s a one day event, again to keep costs down.
