

RAMBLINGS February 2004

By Peter Payne, HMS Section Director

There has not been much happening in the HMS scene since Oceania in November, so not a lot to report.

Seeing as the holiday period is over you will want to pull those guns out of moth balls. We are going to have a sanctioned shoot at Tokoroa on 21-22 February.

We are getting a three person team together to go to America to compete at the IHMSA National Champs 17-24 July at Tuscon.

The criteria for selection is the best aggregate of three matches, one of which one must be the 2003 Nationals.

The matches for selection are from the 2003 Winter series to the 2004 North Island Champs in April.

Entry fees will be paid for by Pistol NZ for the successful Team members.

The South Island Champs are coming up fast 13-14 March.

It would be good to see as many shooters as possible there. Nelson put a good shoot on and is a very friendly club, so support them. Meals and bunks are available at the range for a small fee.

Safe shooting until next time

Peter Payne
