

RAMBLINGS February 2005

By Peter Payne, HMS Section Director

I hope everyone had a good festive season and is ready to get back into some shooting.

It has been very quiet in the Silhouette Section since the HMS National Champs in November.

There are only two shoots over the next three months, the HMS South Island Champs in March 5th-6th and the HMS North Island Champs in April 15th-17th. Mark these dates on your calendar and support these shoots. Two friendly and helpful clubs will welcome you, Nelson at the South Island Champs and Awakeri at the North Island Champs. Take a shooter along to these shoots who have not shot silhouette before and I'm sure they will be hooked.

For those interested in Oceania Team selection, you will have to shoot in both the South Island and North Island Champs.

The Silhouette Oceania Games in New Caledonia will be held between 7th-11th of October 2005. Also there is the Australia IHMSA 25th Anniversary October 28th-November 4th. The Small Bore and Field Pistol will be from October 28th-31st and Big Bore from November 1st-4th.

Until next time safe shooting.

Peter Payne
