

RAMBLINGS February 2006

By Peter Payne, HMS Section Director

Hi all

I hope you had a good festive season and are ready to get back into some serious shooting. Nothing has happened with Silhouette Shooting over the last couple of months but in the next three months we have three shoots, firstly at Tokoroa, a Sanctioned Match on February 18th-19th, Small Bore will only be able to be shot on the 18th as the Waikato Deer Stalkers are holding a prize shoot on the Big Bore range, on the 19th both Big Bore and Small Bore ranges will be available to be shot on, bring a friend along who has not shot silhouette.

Secondly the HMS South Is Champs at Nelson on March 4th-5th, the Entry form is on the Pistol NZ Web Sight. Hope to see you there, Nelson puts a good shoot on and makes you feel at home.

Thirdly there is the HMS North Is Champs at Awakeri on the April 7th-9th, another club that makes you feel at home so hope to see you there as well, Entry form should be on PNZ Web Sight when you receive Bull Shooter.

Also this year there is the IMSSU World Champs at Bloemfontein, South Africa on September 21st-30th.

My wife and I are working out our finances to go to South Africa, if we go we will be going up about ten days earlier so we can go to have a look at some games parks and other tourist things to look at, so if anyone is interested in going to World Champs give me a call.

Put these dates on your calendar and Safe Shooting until next time.

Peter Payne
