

RAMBLINGS August 2001

By Keith Sinclair, HMS Section Director

Scheduled matches for the next few months, Wairarapa Pistol Club August 18-19 and Taupo Pistol Club October 27-28. Overseas competitions, Pistol Australia Nationals September 14-16, at Toogoolawah, and IHMSA Australia Nationals September 18-26, Brisbane. Entry forms for the 2001 HMS and SGSSA Nationals are in this issue of Bullshooter, please get them in early so the match organisers can cater for numbers.

Several changes have been made to the HMS sections web page, scheduled events now appear at the top left, with competition entry forms highlighted in blue, and on the right are links to other silhouette sites, scoring programs and match rules. This makes finding silhouette related items easier, as everything is accessible from one page without the need to search further.

Final round of the Winter Series was held at Tokoroa June 16-17, and although a little cold, was a big improvement over the wet miserable conditions of round one. There was a good turn out of members with over 150 matches shot, eleven of those being 40x40's. Only one possible 120x120 was shot over the two round series, that was by Keith Sinclair in BB unlimited INT grade, Gregg Burrow was a close second on 119x120, and AAA grade winner Rex Oulds also finished with a 119x120. Great effort guys. Mike Rounthwaite shot the top aggregate in SB production 81x120 AA grade and unlimited 89x120 AA grade. John Hart the highest SB revolver aggregate of 80x120 AA grade, and SB standing went to Philip Dickson 54x120 A grade. Bryan Batty took both the Field Pistol aggregates with 50x120 iron sight AA grade and 58x120 scope AA grade. Thanks go to Tokoroa club members for their support in running the Winter Series, and the shooters for attending.

Until next time safe shooting.

Keith Sinclair
