

RAMBLINGS October 2006

By Peter Payne, HMS Section Director

I would like to confirm the selection Matches for HMS Oceania 2007 at New Caledonia. The match date still has to be confirmed at New Caledonia. The selection matches are the HMS Nationals 17-19th November 2006 at Tokoroa, February 10-11th 2007 Sanctioned/Selection Match at Tokoroa, March 3-4th 2007 HMS South Is Championship at Nelson, the best two aggregates added together make up the selection criteria.

I would like to send two teams if possible so with the weather warming up get out there and practice and get your grades up. The AGM is over and it was good to meet some new shooting friends. As I said in my AGM report I am going to Fort Stockton in July 2007 with Evan Sanders to the IHMSA Internationals so if any one is interested in coming with us could you let me know as soon as possible.

Also the second round of the Winter Series was on 5-6th August and there was 124 matches shot over the two weekends, which was a good amount of matches shot, there would have been more shot if the heavens had not opened up on the last day.

The BB Winners were Production Int Rex Oulds, Revolver Int Rex Oulds, Standing AAA Phillip Murphy, Unlimited Int Rex Oulds, AAA Phillip Murphy, Unlimited Any Sight Evan Sanders.

The SB Winners were Production AAA Mike Rounthwaite, Revolver AAA Mike Rounthwaite, Standing AA Mike Rounthwaite, Unlimited AAA Evan Sanders, AA Phillip Murphy, C Michael Mercer, Unlimited Any Sight AAA Evan Sanders, AA Michael Mercer.

The Field Pistol Winners are FP Production AA Peter Payne, FP Production Any Sight AA Bryan Batty.

Mark the Oceania Selection dates on your calendar; hope to see you at the Nationals in November, also another date for your calendar is HMS 2007 North Is Championship, which is April 13-15th.

Safe shooting until next time.

Peter Payne
