

ISSF Section Report October 2005

By Debbie Wakker, ISSF Section Director

Thank you

Firstly I want to thank all those people who showed their support for me in this role by reaffirming my appointment at the recent AGM.

Over the next few months the Section Directors hope to revamp the RO courses. For those of you who have sent me your email address I will send you a copy of the new Level 1 and 2 tests. I thank you, in advance, for your comments and contribution to these. If you would like to be part of the group then please send me your email address.

Commitment

In order to be good at any sport a person needs to show commitment and dedication to their goals. As with all sports the dedication and time put in can bring about some great personal rewards, whether that is a PB at the range or at a competition. A number of ISSF shooters are committed to achieving the best results and I admire their dedication. To be good at this sport requires not only time but also finances and family support.

I wish our ISSF members all the best for Malaysia and the upcoming Oceania Championships in Brisbane.

An exciting addition to the Oceania team is a Junior team, consisting of:

Samantha Nobes
Thomas Nobes
Shaun Warin
George Ivanoski

Congratulations!!

E-Nationals

The closing date for these has been extended to the 30 October. So if you have a recent Standard Pistol or 40 shot Air Pistol score, then email it to Dave at president@pistolnz.org.nz There are certificates for these events, and it is a good opportunity to see how you stack up against other ISSF shooters in NZ, without having to travel from your own range!!

ISSF Articles

At the recent AGM it was brought to my attention that over the last 2 years there have been no articles in the Bullshooter that relate specifically to ISSF. I would like to encourage you to submit articles about our discipline.

Every article submitted in the next 12 months will be eligible for a small prize.

Upcoming competitions

South Islands – Timaru 15th – 16th October

North Islands – Hawkes Bay 17-19th Nov

Oceania – Brisbane 29th Oct – 05th Nov.
