Lotz, D		C		

Grade breaks are:      M - 85%-100%  
A - 75%-84.99%      C - 40%-59.99%  
B - 60%-74.99%      D - 0%-39.99%

To move up a grade you must shoot the higher grade score twice at approved matches. The first time you shoot the higher score you will have an asterisk (\*) put next to your current grade. Approved matches must have at least 3 Master grade shooters present in the division grading is sought, and the courses of fire must be approved by the Section Director as suitable for grading purposes. New shooters will be classed as D grade after their first shoot, unless they score a B grade score or higher. Then their starting grade will be one grade lower than the score they shoot, with an asterisk (\*) next to that grade. A shooter can only be "downgraded" by requesting a downgrade from the Section Director and will be at the sole discretion of the Section Director.
