KIA ORA Fellow Shooters

Just a short one this month, please can you keep on looking at the Pistol NZ web site for up and coming shoots as some of you out there miss e-mails etc...

Kaimai Pistol Club are once again putting on the classic Kaimai 3 gun shoot this coming October.

Date: 1st October

Rifle, 100 rounds min

Shotgun, 100 birdshot, 6 slugs min

Pistol, 100 rounds min

Cost, \$30 B.Y.O Lunch, Drinks, Coffee etc...

As always look forward to a great shoot!

Auckland Pistol Club will be holding the next IPSC interclub, combined with their Club Champs, so keep an eye out for that one.

Its great to see all the enthusiasm by members to help set up the courses of fire for the interclubs. With a steady 20-30 people turning up to shoot.

With the Nationals looming ever closer, keep up the practice. The Nationals will be a Level Three this year with heaps of interest coming from over the ditch.
