

PRACTICALLY SPEAKING

August, 2007

Kia Ora,

The shooting front has been moving slowly since the last Bullshooter. The usual interclubs have been going great though. Wanganui Pistol Club had their River City shoot at the beginning of July, which everyone enjoyed. Wally says he is going to have next year's one a bit earlier.

There has been some talk in Aussie about putting in a team for the Arafura Games 2009, will keep you posted. The IPSC North Island's are nearly here so keep practising. The South Island Speed event is coming soon, so keep an eye out. It's all go at Rotorua for the Nationals with four new ranges being built for the event.

Matt Webber
